The directors are responsible for the maintenance of adequate accounting records and to prepare annual financial statements that fairly represent the state of affairs and the results of the company. The external auditor is responsible for independently auditing and reporting on the fair presentation of the annual financial statements. Management fulfils this responsibility primarily by establishing and maintaining accounting systems and practices adequately supported by internal accounting controls. Such controls provide assurance that the company's assets are safeguarded, that transactions are executed in accordance with management's authorisations and that the financial records are reliable. The annual financial statements are prepared in accordance with International Financial Reporting Standards ("IFRS"); the SAICA Financial Reporting Guides, as issued by the Accounting Practices Committee; the Financial Reporting Pronouncements, as issued by the Financial Reporting Standards Council; the manner required by the Companies Act; and the JSE Ltd Listings Requirements, and incorporate full and reasonable disclosure. Appropriate and recognised accounting policies are consistently applied.

These summary standalone financial statements were derived from the standalone annual financial statements and do not contain all the disclosures required by IFRS and the requirements of the Companies Act. The external auditor has unrestricted access to all records, assets and personnel as well as to the PSG Group Ltd Audit and Risk Committee.

The annual financial statements are prepared on the going concern basis, since the directors have every reason to believe that the company has adequate resources to continue for the foreseeable future.

NOTES TO THE SUMMARY STANDALONE FINANCIAL STATEMENTS

1. Basis of presentation and accounting policies

These summary standalone financial statements, which should be read in conjunction with either PSG Group Ltd ("PSG Group") or PSG Financial Services Ltd's ("PSL") group annual financial statements, have been derived from the standalone annual financial statements of PSL, which have been prepared in accordance with International Financial Reporting Standards ("IFRS"); the SAICA Financial Reporting Guides, as issued by the Accounting Practices Committee; the Financial Reporting Pronouncements, as issued by the Financial Reporting Standards Council; the manner required by the Companies Act and the JSE Ltd Listings Requirements. The principal accounting policies applied in the preparation of these summary standalone financial statements are similar to those of PSG Group, as set out in note 1 to PSG Group's summary consolidated financial statements. These policies have been consistently applied to all the years presented.

Notice of general meeting

Notice is hereby given of the general meeting of preference shareholders of PSG Financial Services Ltd ("PSG Financial Services" or "the company") to be held in the boardroom, first floor Ou Kollege building, 35 Kerk Street, Stellenbosch, on Thursday, 22 June 2017, at 12:00 ("the general meeting").

Purpose

The purpose of the general meeting is to transact the business set out in the agenda below.

Agenda

- To consider and, if deemed fit, approve, with or without modification, the following ordinary resolutions:

Note:

For the ordinary resolutions to be adopted, at least 75% of the voting rights exercised on each such ordinary resolution must be exercised in favour thereof, as required in terms of the memorandum of incorporation of the company and by the Listings Requirements of the JSE Ltd ("JSE").

1. Ordinary resolution number 1: Unissued cumulative, non-redeemable, non-participating preference shares placed under the control of the directors

"Resolved that the unissued, cumulative, non-redeemable, non-participating preference shares in the company ("the preference shares") be and are hereby placed under the control of the directors, until the next annual general meeting of the ordinary shareholder of the company or general meeting of preference shareholders of the company, whichever is latest, and that the directors be and are hereby authorised to issue any such preference shares as they may deem fit provided that any preference shares issued pursuant to this authority shall rank *pari passu* with the existing issued preference shares, and such authority shall be limited to issuing such number of preference shares which, when taken together, do not exceed a cumulative clean subscription price of R300 million (i.e. the cumulative subscription payable for the preference shares less accrued dividends on such preference shares), subject to the South African Companies Act, 71 of 2008, as amended ("the Companies Act"), the memorandum of incorporation of the company, and the provisions of the Listings Requirements of the JSE ("Listings Requirements"), save that the aforementioned R300 million limitation shall not apply to any preference shares issued in terms of a rights offer."

The reason for ordinary resolution number 1 is that the board requires authority from the preference shareholders in terms of its memorandum of incorporation and in terms of the Listings Requirements to issue further listed preference shares from its existing unissued preference share capital. This general authority, once granted, allows the board from time to time, when it is appropriate to do so, to issue listed preference shares as may be required, inter alia, in terms of capital raising exercises and to maintain a healthy capital adequacy ratio. This general authority is subject to the restriction that it is limited to issuing such number of preference shares which, when taken together, do not exceed a cumulative clean subscription price of R300 million, that preference shares issued in terms thereof shall rank *pari passu* in all respects with the listed preference shares already in issue and that it shall be valid until the next annual general meeting of the ordinary shareholder of the company or general meeting of the preference shareholders of the company, whichever is the latest.

2. Ordinary resolution number 2: General authority to issue preference shares for cash

“Resolved that, to the extent required by the Listings Requirements, if applicable, the directors of the company be and are hereby authorised, by way of a general authority, to allot and issue any of the preference shares in the company, placed under their control, for cash as they in their discretion may deem fit, without restriction, subject to the provisions of the company’s memorandum of incorporation, the Companies Act and the Listings Requirements, to the extent applicable, including that:

- the approval shall be valid until the date of the next annual general meeting of the ordinary shareholder of the company or general meeting of preference shareholders of the company, whichever is the latest, provided it shall not extend beyond 15 months from the date of this resolution;
- the general issues of shares for cash, in the aggregate, under this authority, may not exceed 15% of the company’s issued share capital (number of securities) of that class as at the date of this notice of general meeting, it being recorded that preference shares issued pursuant to a rights offer to preference shareholders shall not diminish the number of preference shares that comprise the 15% of the preference shares that can be issued in terms of this ordinary resolution. As at the date of this notice of general meeting, 15% of the issued listed preference shares of the company amounts to 2 612 365 preference shares;
- in determining the price at which an issue of preference shares will be made in terms of this authority, the maximum discount permitted will be 10% of the weighted average traded price of such shares, as determined over the 30 business days prior to the date that the price of the issue is agreed between the issuer and the party subscribing for the securities. The JSE will be consulted for a ruling if the securities have not traded in such 30-business day period;
- any such issue will only be made to public shareholders as defined in paragraphs 4.25 to 4.27 of the Listings Requirements and not to related parties;
- any such issue will only be comprised of securities of a class already in issue or, if this is not the case, will be limited to such securities or rights that are convertible into a class already in issue; and
- in the event that the securities issued represent, on a cumulative basis, 5% or more of the number of securities in issue prior to that issue, an announcement containing the full details of such issue shall be published on the Securities Exchange News Services,

and it being resolved, for the avoidance of doubt, that the company shall not be required to comply with the provisions of the authority contained in this resolution should same not be required by the Listings Requirements.”

For listed entities wishing to issue listed ordinary shares for cash, it is necessary for the board of the company to obtain the prior authority of ordinary shareholders in accordance with the Listings Requirements. It is not clear whether the JSE will apply this requirement to the issue of listed preference shares for cash. The reason for this resolution is that, in the interests of prudence and good corporate governance, the company is obtaining, to the extent required, the approval of its preference shareholders for general issues of preference shares for cash in the event that such authority is deemed to be a requirement in terms of the Listings Requirements. Should it transpire that such authority is not required, the company will naturally not be bound to adhere to the terms of the authority granted in terms of this resolution.

Notes

1. A PSL preference shareholder ("shareholder" or "PSG Financial Services shareholder") may insert the name of a proxy or the names of two alternative proxies of the shareholder's choice in the space(s) provided, with or without deleting "the chairman of the general meeting". The person whose name appears first on the form of proxy and who is present at the general meeting will be entitled to act as proxy to the exclusion of those whose names follow.

A PSG Financial Services shareholder's instructions to the proxy must be indicated by the insertion of the relevant number of preference shares to be voted on behalf of that shareholder in the appropriate box provided or by the insertion of a cross if all shares should be voted on behalf of that shareholder. Failure to comply with the above will be deemed to authorise the chairman of the general meeting, if he/she is the authorised proxy, to vote in favour of the resolutions at the general meeting, or any other proxy to vote or to abstain from voting at the general meeting as he/she deems fit, in respect of all the shares concerned.
